“ So many fond memories come to mind when I think of Frank but I'll just share a few. Growing up when Frank would hear certain plans we were making he would always just shake his head smiling and say "oh you girls". Later my sons use to come running with excitement to tell when Frank was at our house to cut grass. He spent as much time talking to them as he did cutting the grass. Frank was a remarkable man and will be missed by many. Love and prayers for his family.

“ Blessings to the family. My first memory of Frank was from around 1977 when we did some work together when I just started as an apprentice. Franks no nonsense solid work ethic impressed me from the start. I have never met a stronger individual. The world will be a lesser place without him. Keep his memories close to your hearts.

“ So sorry to hear of Franks passing. Jerry my brother and I always looked forward to see Frank every Sunday at Aspen Creek when we would go see our mom Lynn. Frank was a wonderful man and always made us laugh and brought smiles to our face. He would crack us up talking about how big Jerry was. We all became a family and Martcia my heart is hurting for you and your family. Our thoughts and prayers are with you all! Hugs from me and Jerry. Love Shelly

“ To the McBride Family, Frank was a wonderful man. He always made us smile when he walked in. I can still hear him calling out Miss Teres. We were very sad to hear he had passed away, such a nice man. Frank I will never forget you.
