“ John and I are really sad and sorry to hear about Jackie. I have wonderful memories of us having lunch together in the MUC, shopping together, and just hanging out together. John and I have lots of memories of the four of us doing lots of things together as well -- going out to eat, going to the movies, and just sitting around talking.

Errol -- I am sure you will miss Jackie a lot. John and I are thinking about you.

Jackie -- I hope you are at peace and no longer in pain my friend.
