“ I first remember Linda in high school. She was 3 years younger but we were in the same study hall. Later she would play on the same golf team with my mom, Jean Neuenschwander. Then I worked in the Madison Co Treasurer's office while she worked in the Co Clerk's office. So we would talk from time to time. After we both retired we saw each other out eating & talked some more. She was such a great person that I liked very much. An emergency kept me from coming to the visitation. I regret that because I wanted to extend my condolences to all the family. I am so sorry for your loss. I will miss seeing her. Sincerely, Mindy Neuenschwander Ramey

“ As fellow parishioners, we knew Linda more by sight than name. She and Jim were always at Saturday mass, typically volunteering their time. From a few pews back, it was easy to tell that they had love for each other, for their grandchildren, and for their church. Her smiling face will be missed.

“ My condolences to the Carroll family! Linda was a great lady, always smiling. Our sons played basketball together so we spent a lot of time in the stands talking and getting to know each other. We would often see each other as the boys were in college (and beyond) and we'd always ask about each other's son and get the update. I also had her grandson at Nelson last year, so we were able to spend a little more time together during her visits.

To Jim, Chase, Karla and Kelly, my deepest sympathies. I will pray that God provide understanding, peace and comfort to each of you, and hold you in His loving arms through this difficult time.
