

## Mindy Anne Weber

August 12, 1985 - June 27, 2020

Melinda “Mindy” Anne (nee Snider) Weber, of Hamel, Illinois, peacefully completed her earthly journey while surrounded by family at her home on June 27, 2020 after a short, yet courageous, battle with brain cancer. Encompassed by faith, trust, and a little bit of pixie dust, Mindy was an example of grace for everyone throughout her life, and her positive attitude will be forever remembered.

Mindy was born on August 12, 1985, and was the daughter of Frank (Pam) Snider and the late Anne (nee Rose) Snider. On October 27, 2007, Mindy married the love of her life, Ty Weber, and two years later, they welcomed their pride and joy, daughter Cardin; they survive. Mindy is also survived by her devoted sister, Kelly (Andrew) Foushee Anzalone of St. Louis, Missouri, parents-in-law, Wayne and Nancy Weber, of Moro, Illinois, and sister-in-law Ashley (Nolan) Clarke, of Edwardsville, Illinois. Mindy was also an exceptional aunt to Bronte and Adler Clarke, and was excitedly awaiting the arrival of a second niece, Baby Anzalone. Mindy enjoyed spending time and laughing with her family, including several aunts, uncles, cousins, and dear friends, including dear friend Kaleigh Rider and her family. In addition to her mother, Mindy was preceded in death by her brother-in-law, Tony Foushee, maternal grandparents Sarah and Harry Rose, and paternal grandparents Paul and Doris Snider.

Mindy grew up in Bethalto, Illinois, and graduated from Civic Memorial High School in 2003. She continued a passion for learning at Southern Illinois University Edwardsville, where she was awarded a degree in Education in 2007. Mindy’s love for education was a trademark value as she continued to impress knowledge to others through a teaching career in Edwardsville School District followed by a career in curriculum development, most recently with Houghton-Mifflin. Throughout her childhood, Mindy participated in a variety of music groups, including high school band and drama club, which created a lifelong love for singing and musicals. One of Mindy’s greatest roles was being a loyal, loving mother. She took pride in attending all of Cardin’s activities and events, and served as a Girl Scout Troop Leader and cookie salesperson as well as a softball coach, basketball cheerleader, and party-planning enthusiast among many other titles. She also loved spending her weekends camping with her family and friends. Mindy spent every moment she could with her dear family, but her next greatest love was for all things

Disney. She was an expert on anything to do with the beloved Mouse, and created countless memories with her family through Disney vacations, movies, and songs. She carried her knowledge into her own small business by planning Disney vacations for others. It brought her great joy to watch families create their own Disney memories, and she has passed down a zest for Disney to her own daughter. Our Mindy Mouse will always be cherished for her humor and grace, her fighting spirit, and her devotion to her family and friends.

A private family visitation and service will be held at Eden Church in Edwardsville, followed by burial at Roselawn Memory Gardens in Bethalto. The family requests memorials to the Worden Elementary School PTO in care of Weber & Rodney Funeral Home, 304 N. Main Street, Edwardsville, IL 62025.

“ I am incredibly saddened to heard of Mindy's passing. Mindy Weber joined our HMH family in June of 2017 and was an instrumental member of the social studies product marketing team. Mindy brought her elementary teaching experience to shape our new social studies offering and was a key member of our social studies conference team, including a meet and greet with Girl Scout CEO Sylvia Acevedo. She immediately established trust because she was qualified, experienced, and competent, but where Mindy shone was in how she delivered excellence. Mindy always brought a can-do attitude to all of her work and was the first to ask, “how can I help?” Mindy’s positive mindset and team player attitude made her an integral member of our extended work family. She made us stronger and her personality made it a pleasure to come to work every day. Mindy was the epitome of social emotional learning. She saw the whole person within her colleagues and connected with them about their families, their hobbies, their joys, and their struggles. Mindy took the time to connect with others while working in our fast-paced, ever-changing, daily deadlines environment. You may recall the phrase, “if you want something done, ask a busy person.” I would say, “ask a working mom.” In her free time, Mindy devoted her time her family and community. Among her favorite family experiences was Disney. Mindy’s happy place was anything Disney, and she shared her love of the mouse by helping friends, family, and colleagues plan their Disney vacations. I think it was the magic of Disney that Mindy exemplified most. Mindy sprinkled her pixie dust on all of us, making herself so beloved in such a short amount of time. I miss my friend and colleague. My heart breaks for this loss. I continue to pray for her and for her family.

“ My daughter was blessed to have her as a teacher in fourth grade at Columbus School. She absolutely adored Mrs Weber! Even years later when I would run into her she would ask about my daughter. She never forgot her! We will never forget Mrs Weber!

“ Mindy hadn't been at HMH for very long before my own cancer diagnosis. She didn't hesitate to reach out and offer support, even though I'm sure it brought back some painful memories of losing her mom. She tackled everything with a can-do, we-got-this attitude and she fought that "chicken nugget" with amazing force and fortitude...and a lot of humor. I am so grateful to be able to call her my friend.
