“ Pat was one of my first and most memorable supervisors I have ever had. In my 30 yrs at SIUE she is the one who got me started. A true friend also. I remember a time she came to work with blue eye liner, come to find out she had grabbed a blue permanent marker instead of eye liner. , We would laugh so hard at times and she was the supervisor who actually helped the students with compassion. Spent a lot of time with Pat and I feel such a deep loss, but grateful I was allowed to have time with her. I can't make it to the service, but to her daughter's I know she had a deep love for you all, ahe mentioned it many times. I was truly jealous she wasn't my mom. God's Blessings to the family. You are all in my thoughts. Love Karla Ellsworth
