“ I worked for Sharon and Janice at Fitness For You. She was such a wonderfully fun person. So thoughtful and great to work for. I wish I'd of kept in touch with her all these years later. May your memories of her give your family peace. God bless and prayers are with you all.

“ Although I only met Sharon once, losing someone with which you spent so many years is sad.

It was good working with you years ago. It looks like the two of you made a success of your time together.

I'll miss the remembrance ceremony. Our daughter has a baby shower for her first child on the 24th. Life goes on.

Best of wishes.

“ Sharon was the Best Mother in law I could have ever prayed for. She was the most graceful and fun woman. I was so accepted by her from the very minute I met her. I thank God each and every day for her. I miss her. Her care and love of Debi and Greg is so apparent in the good and loving people they have become. Her care and love of her grandchildren knew no bounds. They live on through her. The last 9 years have been so hard on her whole family. Grandpa Grumpy has a halo and wings. His care of her through sickness and in health, till death do us part shows us what true love really is. My heart breaks for him, Debi and Greg. It breaks for all of us. I know she's so happy now though. Because I knew her, I have been changed for good.
