“ I was shocked to hear of Steve's passing. We went to grade school, jr. high and high school together. And I have many memories of riding the school bus with him! Us "country kids" had quite a lengthy ride! My heart felt sympathy to his family. May your memories comfort you in this difficult time.

“ Dear Steve,
I'm still having trouble wrapping my head around the fact that you are gone. It's hard to believe that I will never see you again. So many memories have been flooding into my mind, almost 30 years worth. Some good, some bad, some happy, some sad but all part of our story. You were my brother. I loved you. There is not a day that will go by for the rest of my life where I won't miss you. Until our souls meet again....next time we will get it right.
Love,
Nancy

“ I was sadden to hear of my devoted friends passing. So many great memories were had over the last 12 years with you. I will never forget the time you orderd those hobanareo wings at Gentle Bens in Tucson. The look on your face with the ring of hot sauce around your mouth, “Eh there not too hot!” As the sweat ran off your forehead. All the good times we had going to karaoke. You were a Diva that’s for sure! Never knew anyone else with a shoe collection the size that you had, a pair for everyday of the year. You are missed and loved by many my friend. See you on the other side Stevie.

“ Hopefully not all my posts show up at once, this is my third attempt. Steve, we have had so many memories together I could write a book. We had 25 years of friendship and had many a good times. We would fight like times like cats and dogs but we always made up. You are one of the most loyal friends I ever had the privilege of saying was my friend. I will miss you dearly, I'll miss all of your “zoo,” you had too. Tonight we will celebrate you, karaoke style. Until we meet again my friend.

“ So sad to hear what happened to Steve! He was such a stand up guy! Always the life of the party and he made many, many friends in the Edwardsville and St. Louis communities. It was also sad to hear that there were no funeral services as Steve had made many friends over the years that would have liked to have paid their last respect to a dear friend! Take care Dweenven! All you worries and pains are now gone! You are one hell of a guy and you will be missed by so many! God Rest!
