“ Dear cousins Elaine, Kathleen, David and family,

Penny and I are sorry we could not be with you to support you and to celebrate the life of our dear, Aunt Minnie. We ask that the Lord bless and keep all of you and may you find peace and comfort during this difficult time. Aunt Minnie was a very strong but kind lady.

She was always very helpful to my family; I will be forever thankful for her caring for me when my mother could not. I also remember hearing the story of how she traveled to America in order marry her sweetheart, Uncle Roy after World War II. What courage and fortitude. I also loved her very hearty laugh. Our prayers are with all who will miss her; our memories of her will make us smile. Our deepest sympathies to the entire family.

Love,
cousins Ken & Penny Kollmeyer

“ Elaine

I am thinking of you and your family today. I always loved seeing your mother at church. You had such a wonderful relationship with her. You can feel good about all the time you spent together and how you were able to help her as she aged. I remember seeing you out having lunch together and enjoying each other so much!
